#### **Discontinued Operations / Held for sale**

On 20 July 2015, one of the Companys subsidiaries, Global Property Strategic Alliance Pte Ltd (£PSA) together with MORE Property Pte Ltd (£MORE), a company incorporated in Singapore, together as vendors, entered into a conditional sale and purchase agreement (£PA) with Asia-Pacific Strategic Investments Limited (£PSI), a company incorporated in Singapore and listed on the Singapore Exchange Securities Trading Limited for the sale of the entire issued capital of Global Alliance Property Pte Ltd (£A), a newly incorporated company by GPSA and MORE.

On 2 February 2016, the SPA completed with changes to certain terms. The final aggregate consideration was \$\$1,000,000 in cash, paid by way of cashiers order to the vendors on completion in the following proportions, to GPSA \$\$728,000 and MORE \$\$272,000 and the vendors agreed to waive the consideration of \$\$1,500,000 payable in ordinary shares in the capital of APSI and entering into the management agreement. The payment of the aggregate consideration constituted full and final settlement of all amounts owed by the purchaser to the vendors under the SPA. No other terms and conditions of the SPA were modified.

In compliance with the provision of AASB5 Non-Current Assets Held for Sale and Discontinued Operations, the selected assets and liabilities of GPSA that will be transferred to GA have been classified as %eld for sale+on the consolidated balance sheet, and the entire results of GPSA have been presented separately in the statement of comprehensive income as %Discontinued Operations+for the year ended 31 December 2015.

The discussion that follows compares the income statement for full year ended 31 December 2015 (FY2015) with previous corresponding year (FY2014)

#### **Income Statement**

# Revenue

AIUO BSN IBUOSIBQ JO-

Revenue for year ended 31 December 2015 (FY2015) decreased by 65.0% to S\$2.3 million as compared with the previous year (FY2014). The drop in revenue was largely due to lower revenue of S\$3.6 million from ID & fit-out work segment and reversal of S\$0.3 million revenue previously recognised from the project management contract in China Chongging.

# Gross (Loss) / Profit

The Group reported a gross loss of S\$2.0 million in FY2015, compared with gross profit of S\$1.5 million in FY2014, mainly due to higher costs incurred in ID & fit-out work segment and reversal of revenue from project management contract.

# Other Income

Other income decreased S\$0.1 million from S\$0.4 million to S\$0.3 million in FY2015 mainly due to lower interest received from Huge Development as the loan was fully repaid in May 2015.

#### Administrative Expenses

There was a 9.6% decrease in administrative expenses from S\$3.3 million in FY2014 to S\$3.0 million in FY2015, mainly due to lower activities in the ID & fit-out work segment, in line with lower revenue, partially offset by higher expenses from Development and Investment segment.

#### **Finance Costs**

Finance costs decreased marginally by \$\$8,000 to \$\$359,000 in FY2015 following the partial repayment of bank loan in June 2015 (\$\$1.67 million) and December 2015 (\$\$0.75 million).

# Due Diligence and Investment Assessment Expenses

These expenses were incurred in relation to the proposed acquisitions of Manufacture Element Prefabricate Pte Ltd and Forte Development Pte Ltd in 2014. The acquisitions did not proceed.

# **Director Cessation Benefits**

This was pertaining to cessation benefits of S\$0.8 million payable to Mr. Hong Eng Leong (Jeffrey) in FY2014.

# Share of Profit of Associate

The Group recognised a share of profit of S\$7.9 million from the Watercolours Executive Condominium project upon receiving Notice of Vacant Possession (NVP) in FY2015.

#### Discontinued operations

Loss from the discontinued operations in FY2015 was S\$0.9 million, an improvement of S\$0.6 million as compared with a loss of S\$1.5 million in FY2014. This was mainly due to lower administration costs partially offset by lower other income and higher distribution costs.

### Profit / (Loss) for the year

The Group reported a profit of S\$1.9 million in FY2015, compared with a loss of S\$4.6million in FY2014, mainly due to the share of profit from the Watercolours Executive Condominium project, lower losses from discontinued operations, lower administrative expenses and the absence of one-off due diligence and investment assessment expenses and director cessation benefits, partially offset by gross loss for the year.

Full Year financial statements on consolidated results for the year ended 31 December 2015 (This financial report is currently being audited)

# INFORMATION REQUIRED FOR ANNOUNCEMENTS OF FULL YEAR RESULTS

# The discussion that follows compares the Financial Position as at 31 December 2015 with that of 31 December 2014

# Current assets

Current assets decreased by S\$7.0 million from S\$15.7 million to S\$8.7 million when compared to the beginning of the year. This was mainly due to lower commission receivable from Real Estate Agency segment in line with the reduction in business activities and lower contract work-in-progress from ID & fit-out work segment.

#### Non-current assets

Non-current assets increased by \$\$6.1 million from \$\$4.7 million to \$\$10.8 million when compared to the beginning of the year. This was mainly due to the recognition of share of profit from investment in associate partially offset by reclassification of assets held for sale to current assets, reversal of deferred tax assets and depreciation for the year.

# Current liabilities

Current liabilities decreased by S\$4.6 million from S\$20.4 million to S\$15.8 million mainly due to repayment of bank loan and lower commission payable from Real Estate Agency segment in line with the reduction in business activities.

# Non-current liabilities

Non-current liabilities decreased by \$\$0.2 million mainly due to reclassification of borrowings to current liabilities and provision for reinstatement cost to liabilities directly associated with assets classified as held for sales.

#### 1(b)(i) Going Concern

The financial report has been prepared on a going concern basis, which assumes continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business.

As at and for the year ended 31 December 2015, the consolidated entity had accumulated losses of S\$7.0 million (2014: S\$10.3 million), net cash used in operating activities of S\$1.5 million (2014: S\$2.0 million) and a working capital deficiency of S\$7.1 million (2014: S\$4.7 million).

The first bank loan of S\$6.95 million with an original maturity date of 30 September 2015 is secured against the investment in the Watercolours Executive Condominium project. During June 2015 and December 2015, the consolidated entity made partial repayment of S\$1.67 million and S\$0.75 million respectively. The maturity date of the remaining loan amount of S\$4.53 million had been extended to 31 March 2016. The consolidated entity will continue to negotiate with the bank to extend the maturity date to match the expected dividend income from the project.

The second bank loan of S\$2.6 million was taken up to finance the acquisition of a JTC leasehold property with a purchase price of S\$3.3 million and had been paid down to S\$1.8 million as at reporting date. This loan is repayable over 72 months from February 2014 to January 2020.

On 7 May 2015, the consolidated entity secured a placement issue of 11,212,500 new ordinary shares for AUD2,018,250 (S\$2,125,217). This is reflected in the financing cash flows within this financial report.

The working capital deficiency arises primarily due to the ability of the banks to recall the loans at their absolute discretion.

On 2 February 2016, the consolidated entity completed the Sale and Purchase Agreement (SPA) to spin off part of its real estate agency business in Singapore for a consideration of S\$728,000, as disclosed in page 3.

The ability of the Company and the consolidated entity to continue as going concerns is dependent upon the continued support of the current bankers and the successful timely completion of the following events / plans that have been put in place by Management:

- The consolidated entity is in discussions with existing bankers to extend repayment terms for the first bank loan and to secure additional facilities;
- The Watercolours Executive Condominium project achieved NVP status in May 2015, and is currently pending approval for Certificate of Statutory Completion (CSC) in first quarter of 2016 and the expected expiry of the defect liability period in the second quarter of 2016. The consolidated entitys investment in the joint venture is valued at S\$7.3 million at 31 December 2015. This value includes the share of the equity accounted profit from the associate for the period of S\$7.9 million. The consolidated entity expects to receive future cash payments from the venture of S\$6.87 million by way of dividends. The dividends are expected to be received progressively in 2016. The receipt of the dividends will provide an injection of funds to cover operations and for the repayment of bank loans;
- The consolidated entity is working to improve the profitability and cash flows of the business;
- The completion of Shareholders Agreement to acquire 51% of a mixed development in Kempas, Johor Bahru, Malaysia (by the consolidated entitys property development division) as announced on 12 June 2015;
- The Company will continue to seek suitable merger and acquisition opportunities and/or strategic alliances to strengthen existing business as well as share placements to improve its cash position.

At the date of this report and having considered the above factors, the directors are confident that the Company and consolidated entity will be able to continue as going concerns.

However, if the Company and consolidated entity are unable to obtain the additional and continuing financial support of their financier and successfully complete the plans referred to above, significant uncertainty would exist as to the ability of the Company and the consolidated entity to continue as going concerns and, therefore, whether they will be able to realise their assets and discharge their liabilities in their normal course of business.

The financial report does not include any adjustments relating to the recoverability and classification of recorded asset amounts nor to the amount and classification of liabilities that might be necessary should the Company and the consolidated entity not continue as going concerns.

# INFORMATION REQUIRED FOR ANNOUNCEMENTS OF FULL YEAR RESULTS

9. A commentary at the date of the announcement of the significant trends and competitive conditions of the industry in which the group operates and any known factors or events that may affect the group in the next reporting year and the next 12 months.

On 12 June 2015, the consolidated entity announced that it had entered into an agreement to acquire 51% of a mixed development in Kempas, Johor Bahru, Malaysia.

On 2 February 2016, the consolidated entity completed the Sale and Purchase Agreement (SPA) to spin off part of its real estate agency business in Singapore for a consideration of S\$728,000, as disclosed in page 3.

The Watercolours Executive Condominium project achieved NVP status in May 2015, and is currently pending approval for Certificate of Statutory Completion (CSC) in first quarter of 2016, and expecting expiry of the defect liability period in second quarter of 2016. The consolidated entity expects cash payments to be received totalling approximately \$\$6.87 million (by way of dividend). This will provide an injection of funds to cover operations and the repayment of bank loans. The dividend is expected to be received progressively in 2016.

The Group expects the business and operating environment to remain difficult in 2016. Given the challenging environment, management will continue to seek new sources of funding, further streamline its operations and keep a tight control on operating costs.

Segmented revenue and results for business or geographical segments (of the group) in the form presented in the issuer's most recently audited financial statement, with comparative information for the immediately preceding year.

The Real Estate Agency division was discontinued in the current year. The segment information reported below does not include any amounts for these discontinued operations, which are described in more detail in note 1(a).

In the review of performance, the factors leading to any material changes in contributions to turnover and earnings by the business or geographical segments.

Business segments:-

# **Property Development**

Reversal of revenue for ChongQing project previously recognised mainly due to delay of the project commencement date.

# ID & fit-out work

Revenue of ID & fit-out work continue to decline due to lower contract sum secured.

# Real Estate Agency (Now Discontinued)

Real estate agency divisions revenue and earnings from primary and secondary markets were adversely affected as both local and certain regional countriesqgovernment property cooling measures and mortgage curbs dampened both the local and regional property markets.

Real estate agency division was classified as a discontinued operation after the consolidated entity announced that it had completed the Sale and Purchase Agreement (SPA) to sell part of its real estate agency business in Singapore on 2 February 2016, and has not been included in the above turnover or earnings analysis.
